Alex Morgan

IT Support Specialist

Milan, Italy | alex.morgan@example.invalid

PROFESSIONAL SUMMARY

IT support professional with four years of experience supporting office users, Windows workstations and cloud productivity tools. Practical experience with Microsoft 365, Google Workspace and basic network troubleshooting. Clear communication, accurate ticket notes and a patient approach to user support.

TECHNICAL SKILLS

Workplace support: Windows 10/11, Microsoft 365, Google Workspace, PC and printer setup, software troubleshooting.

Networks and tools: TCP/IP, DNS, DHCP, VPN checks, ticket documentation, PowerShell (basic), HTML and CSS (basic).

WORK EXPERIENCE

IT Support Technician

Example Office Services (fictional) | Milan, Italy | Jan 2019 - Jan 2023

- Installed and configured Windows laptops, desktop PCs and printers for an office of 45 staff.
- Managed Microsoft 365 and Google Workspace accounts, reset passwords, assigned licences and resolved sign-in issues.
- Investigated connectivity problems using TCP/IP, DNS, DHCP and VPN checks; escalated network incidents when needed.
- Recorded support tickets and repair notes, wrote troubleshooting guides and explained fixes to non-technical colleagues.

Junior Support Assistant (internship)

Example Digital Studio (fictional) | Milan, Italy | Jun 2018 - Dec 2018

- Assisted with device inventories, software installations and workstation setup under a senior technician.
- Updated internal help pages with HTML and CSS and checked their behaviour in common web browsers.

EDUCATION

Diploma in Information Technology

Example Technical College (fictional) | Milan, Italy | 2018
